These letters help reorient readers from generalizations to particulars, from conventions to specific actions, from theory to practice, and from the profession of faith to the pulsating, living, inner, and intimate expressions and experiences of "walking with God," and indeed, of "being open before God." Features and Benefits A rare collection of devotional nuggets that will challenge the mature believer. Letters are from great Christians throughout history such as Augustine, Leo the Great, John Newton and C. S. Lewis. Each letter concludes with a Scripture Meditation, Thought for the Day, and Prayer.
