The Dirt Book May 26 2021 15 fun and fact-filled poems about soil--what makes it and who lives in it! This book unearths some of the glorious mysteries that lie beneath our feet! A New York Public Library Best Book of the Year Spectacular vertical panoramas illustrating life underground accompany 15 funny, fascinating poems that explore dirt and the many creatures that make their homes underground. Spiders, earthworms, ants, chipmunks and more crawl across the pages, between stretching roots and buried stones. Chipmunk, for such a little squirt you sure do move a lot of dirt, you sure do dig your tunnels deep, you sure do find some nuts to keep, you sure do know your underground. Chipmunk, you sure do get around. This unique celebration of dirt-- what makes it, what lives in it, and the many wonderful things the soil does to support life on our planet-- is a whimsical, cleverly-illustrated pick for kids who love animals... or who just love playing in the mud. From the creators of And the Bullfrogs Sing, a Bank Street Best Book of the Year, this intriguing, uniquely charming nature book has been vetted by experts and includes an author's note with more information about all the featured creatures, as well as a bibliography. An NSTA Outstanding Science Trade Book for Students An NCTE Notable Poetry Book

Unearthing Fossils Sep 29 2021 The ability to use the NextGen science process is key to carrying out experiments, taking measurements, or performing technical tasks. In this book, readers in real-world situations are tasked with following clues and using the NextGen science process to find out about unearthing fossils. Informational text presents evidence and facts in the form of clues and side-bar details to help children develop critical thinking skills. A summary of the situation is included to show how each chapter contributes to the whole and for a solid understanding of the topic.

Digging Deep Mar 04 2022 Digging Deep is a powerfully invigorating and transformative self-help book for the creatively and spiritually challenged. Filled with hands-on exercises, this prescriptive and inspirational guide is even more vital in today's technologically obsessed

culture than when it was first published 10 years ago. Fran shares the lessons she has learned from gardening and working with design clients over the past twenty-five years to guide you in unearthing the innate creativity and joy of your own true nature. If you're yearning to get out of the rut you're in and make more meaning and connection in your life, Digging Deep offers you encouragement and the tools to make it happen. Fran's 7 stages of creative awakening will take you through the steps of removing the stifling 'I'm not creative' voice and replace it with strategies that will help you harness your instincts and take risks, create the garden of your dreams, open your mind to new possibilities, ignite your imagination, engage in every day play, and develop a deep connection with nature. The result? A life filled with creativity, joy, and well-being and a reflection of your most authentic, artistic self.

***Dig Deeper Apr 17 2023** When it comes to reading and understanding the Bible, a dangerous phrase is used by non-Christians and even some believers: Well, that's your interpretation. It is true that without some care in your interpretation, you can make the Bible say almost anything. Dig Deeper is written out of the conviction that there is a right way to understand the Bible and a wrong way, and the authors show us how to read it correctly. Dig Deeper offers sixteen tools readers can use to get to the bottom of any Bible passage and discover its intended meaning. Examples show how each tool helps readers discover something exciting and relevant in a passage, and the Dig deeper exercises offer the opportunity to practice using the tools. The book's brevity and easy-to-read format make it ideal for Christians who want to get the most out of their Bible.*

***Deep Oct 11 2022** Surveys the achievements of adventurous scientists, athletes and explorers to reveal how new understandings about deep-sea life, from telepathic coral to shark navigation, are expanding what is known about the natural world and the human mind. 40,000 first printing.*

***Dug Down Deep Aug 21 2023** What will you build your life on? With startling transparency, Joshua Harris shares how we can rediscover the relevance and power of Christian truth. This is book shows a young man who rose quickly to success in the Christian evangelical world before he realized his spirituality lacked a foundation—it rested more on tradition and morality than on an informed knowledge of God. For the indifferent or spiritually numb, Harris's humorous and engaging reflections on Christian beliefs show that orthodoxy isn't just for scholars—it is for anyone who longs to know the living Jesus Christ. As Harris writes, "I've come to learn that theology matters. It matters not because we want to impress people, but because what we know about God shapes the way we think and live. Theology matters because if we get it wrong then our whole life will be wrong." Whether you are just exploring Christianity or you are a veteran believer finding yourself overly familiar and cold-hearted, Dug Down Deep will help you rediscover the timeless truths of Scripture. As Harris challenges you to root your faith and feelings about God in the person, work, and words of Jesus, he answers questions such as: • What is God like and how does he speak to me? • What difference does it make that Jesus was both human and divine? • How does Jesus's death on the cross pay for my sins? • Who is the Holy Spirit and how does he work in my life? With grace and wisdom, Harris will inspire you to revel in the truth that has captured his own mind and heart. He will ask you to dig deep into a faith so solid you can build your life on it. He will*

point you to something to believe in again.

Unearthing the Nation Oct 31 2021 Questions of national identity have long dominated China's political, social, and cultural horizons. So in the early 1900s, when diverse groups in China began to covet foreign science in the name of new technology and modernization, questions of nationhood came to the fore. In Unearthing the Nation, Grace Yen Shen uses the development of modern geology to explore this complex relationship between science and nationalism in Republican China. Shen shows that Chinese geologists—in battling growing Western and Japanese encroachment of Chinese sovereignty—faced two ongoing challenges: how to develop objective, internationally recognized scientific authority without effacing native identity, and how to serve China when China was still searching for a stable national form. Shen argues that Chinese geologists overcame these obstacles by experimenting with different ways to associate the subjects of their scientific study, the land and its features, with the object of their political and cultural loyalties. This, in turn, led them to link national survival with the establishment of scientific authority in Chinese society. The first major history of modern Chinese geology, Unearthing the Nation introduces the key figures in the rise of the field, as well as several key organizations, such as the Geological Society of China, and explains how they helped bring Chinese geology onto the world stage.

Digging Deep Jun 19 2023 Gardening and creativity expert Fran Sorin's Digging Deep does for gardeners what Julia Cameron's The Artist's Way and Natalie Goldberg's Writing Down the Bones has done for millions of writers and artists: it shows how to approach your passion with an eye towards freeing your spirit and living a creative and joyful life. If you're yearning to get out of the rut you're in and cultivate more meaning and connection in your life, you'll find the encouragement and tools to make it happen in Digging Deep. Overflowing with tips, exercises, and resources, Fran Sorin's empowering guide offers much-needed inspiration in today's technology-obsessed and often nature-deprived culture. This new edition features a foreword by Larry Dossey and a new introduction, where Sorin encourages us to discover the magic that takes place every day—in the garden and in life—as we engage in a playful type of creating. In her acclaimed classic, Sorin, who is the CBS radio news gardening correspondent and has also been regularly featured on NBC's Weekend Today Show, shows you how to apply her Seven Stages of Creative Awakening to unearth and connect with your own creative essence in every area of your life. "Digging Deep teaches the art of living creatively—from envisioning and creating the garden of your dreams to cultivating and embodying more imagination, passion, and play in your daily life." —Andrew Weil, M.D., #1 New York Times best-selling author of Spontaneous Happiness "Captivating and enchanting!...A must-read for anyone who wishes to find themselves in the garden—and for everyone who didn't know they could." —Amy Stewart, New York Times best-selling author of The Drunken Botanist "Full of inspiring stories, creative exercises, and practical gardening tips, Digging Deep will help you bloom along with your garden." —Marcy Shimoff, #1 New York Times best-selling author of Happy for No Reason "Whether you're a beginner or a lifetime gardener, you'll find much to celebrate." —USA Weekend Magazine "A familiar face on television and voice on radio, the longtime broadcaster and popular motivational speaker approaches gardening like yoga. Digging Deep rejuvenates the mind and spirit as well as exercises muscles." —The Sacramento

Add a little truth, wisdom, comfort, and beauty to your day with 100 Favorite Bible Verses.

Milwaukee Braves Sep 17 2020 During their thirteen years in Wisconsin, the Milwaukee Braves never endured a losing season, won two National League pennants, and in 1957 brought Milwaukee its only World Series championship. With a lineup featuring future Hall of Famers Henry Aaron, Warren Spahn, Eddie Matthews, Red Schoendienst, and Phil Niekro, the team immediately brought Milwaukee "Big League" credentials, won the hearts of fans, and shattered attendance records. The Braves' success in Milwaukee prompted baseball to redefine itself as a big business—resulting in franchises relocating west, multi-league expansion, and teams leveraging cities for civically funded stadiums. But the Braves' instant success and accolades made their rapid fall from grace after winning the 1957 world championship all the more stunning, as declining attendance led the team to Atlanta in one of the ugliest divorces between a city and baseball franchise in sports history. Featuring more than 100 captivating photos, many published here for the first time, Milwaukee Braves preserves the Braves' legacy for the team's many fans and introduces new generations to a fascinating chapter in sports history.

Dig Deep Mar 16 2023 This nine-week Bible study for guys, 7th grade and up, includes daily lessons dealing with choices, stewardship, friends, purity, and cultural issues. Heart-probing questions provide an opportunity for reflection and quiet conversation with God.

Cemeteries of Ambivalent Desire Dec 21 2020 From San Isidro Cemetery, a burial place for Latino workers, the author pieces together a narrative of the lives and struggles of the Mexican American community that formed her heritage. She also provides visual images to spur the reader's imagination and anchor the narrative in historical reality.

Dig Deeper May 18 2023 When it comes to reading and understanding the Bible, a dangerous phrase is used by non-Christians and even some believers: "Well, that's your interpretation." It is true that without some care in your interpretation, you can "make" the Bible say almost anything. Dig Deeper is written out of the conviction that there is a right way to understand the Bible and a wrong way, and the authors show us how to read it correctly. Dig Deeper offers sixteen "tools" readers can use to get to the bottom of any Bible passage and discover its intended meaning. Examples show how each tool helps readers discover something exciting and relevant in a passage, and the "Dig deeper" exercises offer the opportunity to practice using the tools. The book's brevity and easy-to-read format make it ideal for Christians who want to get the most out of their Bible.

Destination Dig Sep 10 2022 Unearth the truth about Jesus! Want to discover who Jesus is, why He came, and how He lived? These short devotions, activities, prayer prompts, and

archeological facts will help you dig deep into God's Word for the answers. So grab your tools, join the dig, and search for truth!

Unearthing Justice Jul 28 2021 The mining industry continues to be at the forefront of colonial dispossession around the world. It controls information about its intrinsic costs and benefits, propagates myths about its contribution to the economy, shapes government policy and regulation, and deals ruthlessly with its opponents. Brimming with case studies, anecdotes, resources, and illustrations, Unearthing Justice exposes the mining process and its externalized impacts on the environment, Indigenous Peoples, communities, workers, and governments. But, most importantly, the book shows how people are fighting back. Whether it is to stop a mine before it starts, to get an abandoned mine cleaned up, to change Laws and policy, or to mount a campaign to influence investors, Unearthing Justice is an essential handbook for anyone trying to protect the places and people they love.

Unforgiven Feb 20 2021 Readers of Lisa Jackson and Lucinda Berry will be thrilled by this stunning tale of suspense from a New York Times bestselling author. Even the most exclusive universities can't out a stalker in the latest in this USA Today bestselling series when a brilliant professor and an ex-Deep Ops agent will have to outwit an obsessive killer. "Zanetti is a master." —Kirkus Reviews Run: Gemma Falls never expected to use her game theory expertise to outrun a killer. But for years, that skill is all that kept her one step ahead of a deadly stalker. When Gemma gets the chance to teach at D.C. University, she hopes she and her young daughter have found a safe harbor. The only flaw is the arrogant philosophy professor who's always underfoot giving unwanted advice—in his sexy British accent . . . Hide: Jethro Hanson has blood on his hands. He's working within ivy-covered university halls now, but he knows that his work with the Deep Ops team and the deadly acts he once committed for the sake of Queen and country place him beyond forgiveness—until he meets Gemma . . . Seek: Soon, the passion between them stuns them both. But when Jethro discovers a threat is fast overtaking her, he must choose between the redemption he seeks—and releasing the ever-present killer inside . . . Praise for Driven "Zanetti still makes time to dig into her characters' psyches in the midst of the action, adding nuance to the exciting plot." —Publishers Weekly "The story moves fast, and there's an unexpected twist or two, as well as a scene-and-booze-stealing German Shepherd that provides a little levity to this dark and satisfying romantic thriller." —Bookpage

Unearthing My Religion Feb 15 2023 Religious talk quickly degenerates into insider talk, but what if we turned it back out? Episcopal Bishop Mary Gray-Reeves takes six words related to Christian faith and translates them so they speak more broadly to those who proclaim themselves "spiritual but not religious." Tying together Jesus' parables and life today, this engaging title promises to help non-Christians explore faith and spiritual practice and train Christians to speak clearly about the things that matter most.

Slow Arrow: Unearthing the Frail Children Nov 19 2020 Slow Arrow: Unearthing the Frail Children explores in the microcosm of a forty-acre high mountain meadow and its surrounding lands vast worlds of ecological and familial migrations. The announcement by her eighty-five-year-old mother that she would be moving to Colorado to live out her last years sparks Winograd into a journey into what it means to be a steward of a land and its inhabitants she knows little about and steward of a grieving mother sliding irrevocably into the

blindness she fears and the dying for which she longs. Expanded gold mines, drought-induced wildfires, sudden aspen decline, solitary hawks and summer-pastured longhorns, coyote and elusive cougar, fairy trumpets: as Winograd takes her mother on an exploration of the inhabitants of this deceptively remote and arid landscape in southwest Colorado at the "back" of Pikes Peak, she begins to discover its metaphorical connections to the emotional family landscape she now lives in. In this collection of essays, Winograd braids together the pressing environmental issues of today with the sacred and profane intersections of the human and the natural world .

The Miracle of Plant Medicine and The Practice of Yoga Apr 05 2022 The contents of this book reveal some of the hidden truths regarding the use of psychedelic and psychoactive plant medicine as a form of expanding consciousness through the practice of yoga and meditation. It is this bond of plant medicine and the practice of yoga, that Colette Marie, chooses to explore and therefore share her findings, compiled from a variety of worthy sources to support her claims and query regarding the ancient practice of yoga and it's connection to various plant medicine rituals, still experienced today. Colette Marie shares her own life experience, as a highly regarded teacher of yoga, combined with the experience of engaging with plant medicine, psychedelic and psychoactive in nature, to elevate, expand and explore her own consciousness.

Unearthing the Land Jan 02 2022 "A much-publicized labor strike erupted during the broiling, violent summer of 1934, breaking the monotony of field work for that season. But the marsh had already begun showing the signs of exploitation - the rich organic soil was evaporating in astounding, incalculable tonnage. Once as deep as a tall pioneer, the muck was now little more than a foot thick."

Unearthing Your Ten Talents Dec 13 2022 Discover the specific talents God gave you. Kevin Vost here unearths a treasure for those who are struggling to live a life of Christian virtue. He shows you how to discover each of your ten talents, and then to understand and perfect them. You'll quickly develop your noble ability to reason and prepare yourself to live a life that honors God.

Audacious Nov 12 2022 Thirty years in the making, Audacious is a deep dive into the message that has compelled Beth Moore to serve women around the globe. Glancing over the years of ministry behind her and strengthening her resolve to the call before her, she came to the realization that her vision for women was incomplete. It lacked something they were aching for. Something Jesus was longing for. Beth identifies that missing link by digging through Scripture, unearthing life experiences, and spotlighting a turning point with the capacity to infuse any life with holy passion and purpose. What was missing? Well, let's just say, it's audacious and it's for all of us. And it's the path to the life you were born to live.

Here, Now Jul 08 2022 What if our truest life is the one right in front of us? Does life sometimes seem to be passing you by? Are you so busy—with email to check, Instagram to scroll through, and friends to be envious of—that you've become disconnected from your actual life? You know, the one you are living right here, right now? With hilariously relatable confessions and profoundly beautiful insights, Kate Merrick invites us to stop running away from the lives we're living today and instead walk in the peace and fullness God offers moment to moment.

She shows us how to kill your Wi-Fi, put down the tech, and find deeper contentment, redirect the FOMO so you don't miss out on your own life, and go on a diet of fewer choices to discover the blessings of the quiet, the slow, and the intentional. Only when we look honestly at our hearts and have the courage to live truly present do we receive the gifts of God found in all of life's seasons—the painful ones, the big and beautiful ones, and even the ordinary ones.

Tranh-dân-gian-Đông-Hồ May 06 2022

*And Still She Laughs Feb 03 2022 Kate Merrick examines the Bible's gritty stories of resilient women as well as her own experience losing a child—a journey followed by more than a million on prayfordaisy.com—to reveal the reality of surprising joy and deep hope even in the midst of heartache. Is it possible to live fully—even joyfully—in the middle of overwhelming pain? In the excruciating aftermath of her young daughter's death from cancer, Kate Merrick struggled to find a way to live. Not just to survive or go through the motions, but to live fully. Faithfully. With real joy amid inevitable tears. To discover how, Kate delved into the stories in the Bible of real women who suffered deeply and emerged somehow joyful. How did Sarah, after twenty-five years of achingly empty arms, learn to laugh without bitterness? How did Bathsheba, defiled by the king who then had her husband killed, come to walk in strength and dignity, to smile without fear of the future? In her encounters with these heroines of the faith, Kate discovered how to have contentment—and even joy—whatever the circumstances. By turns heartbreaking and humorous, *And Still She Laughs* reveals the secret to finding hope in the midst of devastation. In the end, no matter what hardships we face, we can smile, cry, and come away full—laughing without fear and eagerly looking for what is to come. “*And Still She Laughs* is the terrifying, tearful, heartbreaking, heart healing and humorous, definitive true story of survival and triumph.” —Kathy Ireland, chair of Kathy Ireland Worldwide “*Kate Merrick* is one of those women that I always wish I had more time with—her honesty, sincerity, and messy straightforwardness are different, in the very best way. Her book, *And Still She Laughs*, is the same way. It's one of those books I will keep coming back to it for truth and inspiration.” —Lindsey Nobles, COO of the IF:Gathering*

Explorers of Deep Time Jun 26 2021 Paleontology is one of the most visible yet most misunderstood fields of science. Children dream of becoming paleontologists when they grow up. Museum visitors flock to exhibits on dinosaurs and other prehistoric animals. The media reports on fossil discoveries and new clues to mass extinctions. Nonetheless, misconceptions abound: paleontologists are assumed only to be interested in dinosaurs, and they are all too often imagined as bearded white men in battered cowboy hats. Roy Plotnick provides a behind-the-scenes look at paleontology as it exists today in all its complexity. He explores the field's aims, methods, and possibilities, with an emphasis on the compelling personal stories of the scientists who have made it a career. Paleontologists study the entire history of life on Earth; they do not only use hammers and chisels to unearth fossils but are just as likely to work with cutting-edge computing technology. Plotnick presents the big questions about life's history that drive paleontological research and shows why knowledge of Earth's past is essential to understanding present-day environmental crises. He introduces readers to the diverse group of people of all genders, races, and international backgrounds who make up the twenty-first-century paleontology community, foregrounding their perspectives and firsthand narratives.

He also frankly discusses the many challenges that face the profession, with key takeaways for aspiring scientists. Candid and comprehensive, Explorers of Deep Time is essential reading for anyone curious about the everyday work of real-life paleontologists.

Dig Even Deeper Aug 09 2022 What does an Old Testament book have to say to us in the twenty-first century? Discover the message of a Bible book for yourself by using tools which help you "dig deeper."

*The Lost World of Fossil Lake Jan 22 2021 The landscape of southwestern Wyoming around the ghost town of Fossil is beautiful but harsh; a dry, high mountain desert with cool nights and long, cold winters inhabited by a sparse mountain desert community. But during the early Eocene, more than fifty million years ago, it was a subtropical lake, surrounded by volcanoes and forests and teeming with life. Buried within the sun-baked limestone is spectacular evidence of the lush vegetation and plentiful fauna of the ancient past, a transitional ecosystem giving us clues to how North America recovered from a great extinction event that wiped out dinosaurs and the majority of all species on the planet. Paleontologists have been conducting excavations at Fossil Butte for more than 150 years, and with *The Lost World of Fossil Lake*, one of the world's leading experts on the fossils from this spectacular locality takes readers on a fascinating journey through the history of the discovery and exploration of the site. Deftly mixing incredible color photographs of the remarkable fossils uncovered at the site with an explanation of their evolutionary significance, Grande presents an unprecedented, comprehensive portrait of the site, its treasures, and what we've learned from them. Grande presents a broad range of fossilized organisms from Fossil Lake—from single-celled algae to palm trees to crocodiles—and together they make this long-extinct community come to life in all its diversity and splendor. A field guide and atlas round out the book, enabling readers to identify and classify the majority of the known fossils from the site. Lavishly produced in full color, *The Lost World of Fossil Lake* is a stunning reminder of the intellectual and physical beauty of scientific investigation—and a breathtaking window onto our planet's long-lost past.*

Cemeteries of Ambivalent Desire Jan 14 2023 Growing up as the daughter of a funeral director in Fort Bend County, Texas, Marie Theresa Hernández was a frequent visitor to the San Isidro Cemetery, a burial place for Latino workers at the Imperial Sugar Company, based in nearby Sugar Land. During these years she acquired from her father and mother a sense of what it was like to live as an ethnic minority in Jim Crow Texas. Therefore, returning to the cemetery as an ethnographer offered Hernández a welcome opportunity to begin piecing together a narrative of the lives and struggles of the Mexican American community that formed her heritage. However, Hernández soon realized that San Isidro contained hidden depths. The cemetery was built on the former grounds of an old slave-owning plantation. Her story quickly burgeoned from one of immigrant laborers working the land of the giant sugar company to one of the slave laborers who had worked the sugar plantations decades before, but whose history had been largely wiped out of the narrative of the affluent, white-majority county. Much like an archeologist, Hernández began carefully brushing away layers of time to reveal the fragile, entombed remnants of a complex, unknown past. A professional photographer as well as a scholar, Hernández provides visual images to spur the reader's imagination and anchor the narrative in historical reality. She mines interviews, newspaper

accounts, and other primary sources—interpreted through her own rich sense of place and time—to reconstruct the identity of a community where the Old South, the wealthy New South, and the culture from south of the border all come together to form an almost iconic symbol for today's America. In this complex and nuanced, self-reflexive ethnography, Hernández interweaves personal memory and group history, ethnic experience and class . . . even death and life.

The Archive of Place Aug 17 2020 The Archive of Place weaves together a series of narratives about environmental history in a particular location ♦ British Columbia's Chilcotin Plateau. In the mid-1990s, the Chilcotin was at the centre of three territorial conflicts. Opposing groups, in their struggle to control the fate of the region and its resources, invoked different understandings of its past ♦ and different types of evidence ♦ to justify their actions. These controversies serve as case studies, as William Turkel examines how people interpret material traces to reconstruct past events, the conditions under which such interpretation takes place, and the role that this interpretation plays in historical consciousness and social memory. It is a wide-ranging and original study that extends the span of conventional historical research.

Unearthed Apr 24 2021 When Earth intercepts a message from a long-extinct alien race, it seems like the solution the planet has been waiting for. The Undying's advanced technology has the potential to undo environmental damage and turn lives around, and Gaia, their former home planet, is a treasure trove waiting to be uncovered. For Jules Addison and his fellow scholars, the discovery of an alien culture offers unprecedented opportunity for study... as long as scavengers like Amelia Radcliffe don't loot everything first. Mia and Jules' different reasons for smuggling themselves onto Gaia put them immediately at odds, but after escaping a dangerous confrontation with other scavengers, they form a fragile alliance. In order to penetrate the Undying temple and reach the tech and information hidden within, the two must decode the ancient race's secrets and survive their traps. But the more they learn about the Undying, the more their presence in the temple seems to be part of a grand design that could spell the end of the human race...

Unearthing Heaven Aug 29 2021 How would your life on earth be different if you thought about your reward in heaven more? Christ taught often on heaven's rewards, and the early church reveled in this treasure chest of life motivation. Throughout church history, Jesus' followers have long been captivated by a coming event known as "The Judgment Seat of Christ," a place of reward and honor at life's finish line which inspired them deeply. We moderns, not so much. Why is that? Why do we brush away heaven's rewards, seeing them as possibly selfish or even unspiritual? Or maybe we don't think about them at all, surrendering them to stale stereotypes about heaven."Unearthing Heaven" takes you on a journey to rediscover this lost treasure chest of life motivation. Mike O'Quin Jr. unpacks the two metaphors the Apostle Paul used to help us understand this Great Day, and looks into the four crowns of the New Testament, each one championing a different Kingdom value. You'll see how meditating on this glorious future event can even loosen the grip of common life struggles. Stir your imagination for the Day when you stand before Jesus and see a smile on His beaming face, hearing Him declare, "Well done, good and faithful servant. Enter into the joy of your

master" (Matthew 25:23). Orienting your life toward His is the highest-octane way to run your own race.

Dug Down Deep Jul 20 2023 Offers wisdom and guidance for Christians to strengthen their faith, discussing how God speaks to individuals, how Jesus' death on the cross paid for sins, who the Holy Spirit is, and more.

NIV, Bible for Men, eBook May 14 2020 Enrich your spiritual life and relationship with God every single day In a world that tells us to be and live however we want, the NIV Bible for Men inspires you to be better, dig deeper into your soul, and do more with what God gave you. Features: Complete text of the accurate, readable, and clear New International Version (NIV) 260 weekday readings from young pastors and leaders such as Matt Chandler, Shane Claiborne, Craig Groeschel, and Gabe Lyons 2 methods to engage: reading through the Bible from Genesis to Revelation or by using the topical index 52 "Myth Articles" state commonly accepted myths in our culture today, then respond to those myths with insights from God's Word

I Kissed Dating Goodbye Jun 07 2022 Joshua Harris's first book, written when he was only 21, turned the Christian singles scene upside down...and people are still talking. More than 800,000 copies later, I Kissed Dating Goodbye, with its inspiring call to sincere love, real purity, and purposeful singleness, remains the benchmark for books on Christian dating. Now, for the first time since its release, the national #1 bestseller has been expanded with new content and updated for new readers. Honest and practical, it challenges cultural assumptions about relationships and provides solid, biblical alternatives to society's norm. Clear, stylish typeset, with user-friendly links to referenced Scripture.

Underland: A Deep Time Journey Oct 19 2020 National Bestseller • New York Times "100 Notable Books of the Year" • NPR "Favorite Books of 2019" • Guardian "100 Best Books of the 21st Century" • Winner of the National Outdoor Book Award From the best-selling, award-winning author of Landmarks and The Old Ways, a haunting voyage into the planet's past and future. Hailed as "the great nature writer of this generation" (Wall Street Journal), Robert Macfarlane is the celebrated author of books about the intersections of the human and the natural realms. In Underland, he delivers his masterpiece: an epic exploration of the Earth's underworlds as they exist in myth, literature, memory, and the land itself. In this highly anticipated sequel to his international bestseller The Old Ways, Macfarlane takes us on an extraordinary journey into our relationship with darkness, burial, and what lies beneath the surface of both place and mind. Traveling through "deep time"—the dizzying expanses of geologic time that stretch away from the present—he moves from the birth of the universe to a post-human future, from the prehistoric art of Norwegian sea caves to the blue depths of the

Greenland ice cap, from Bronze Age funeral chambers to the catacomb labyrinth below Paris, and from the underground fungal networks through which trees communicate to a deep-sunk “hiding place” where nuclear waste will be stored for 100,000 years to come. Woven through Macfarlane’s own travels are the unforgettable stories of descents into the underland made across history by explorers, artists, cavers, divers, mourners, dreamers, and murderers, all of whom have been drawn for different reasons to seek what Cormac McCarthy calls “the awful darkness within the world.” Global in its geography and written with great lyricism and power, Underland speaks powerfully to our present moment. Taking a deep-time view of our planet, Macfarlane here asks a vital and unsettling question: “Are we being good ancestors to the future Earth?” Underland marks a new turn in Macfarlane’s long-term mapping of the relations of landscape and the human heart. From its remarkable opening pages to its deeply moving conclusion, it is a journey into wonder, loss, fear, and hope. At once ancient and urgent, this is a book that will change the way you see the world.

From Typology to Doxology Jul 16 2020 At the end of Romans 11, Paul quotes both Isaiah and Job. As with other New Testament uses of Old Testament texts, this raises several questions. What is the context of these Old Testament passages? How are they used in other Jewish literature? What is Paul's hermeneutical warrant for using them in Romans 11? What theological use does Paul make of them? How, if at all, does their use in Romans 11 contribute to the broader discussion on the use of the Old Testament in the New? In addressing these questions, this book reveals a remarkable typological connection that climaxes in the doxology of Romans 11:33-36, exalting God's incomprehensibility, wisdom, mercy, grace, patience, independence, and sovereignty.

Unearthing Alexandria’s Archaeology: The Italian Contribution Mar 24 2021 Presents an archival survey, historical research, and archaeological description of the main Italian excavations in Alexandria from the 1890s to the 1950s, offering detailed descriptions of excavations at Hadra, Chatby, Anfushi and more, accompanied by often unpublished photographs and a catalogue of rare photographs of further sites in Alexandria.

Setting Your Course Apr 12 2020 God is very clear about His purposes for you. If you want to live a meaningful life, it must be aligned with His purposes. You have a unique purpose to fulfill, a committed passion to embrace, a role to perform, unique methodologies—a personal toolkit—to employ, and an ultimate contribution to make. In Setting Your Course, author Dr. Greg Bourgon seeks to help you set your course, find focus for your life, engage in God’s journey for you, and finish your journey well. He employs a three-part process to influence you to live all-out for Christ—the compass, map, and guide: • The compass explains the importance of orienting your life in accordance with established biblical compass points. • The map defines the trajectory you are to follow based on how God has wired you. • The guide stresses the importance of being mentored and mentoring others. Setting Your Course helps you formulate a deliberate strategy for determining your purpose; assists you in aligning your life according to God’s plan; encourages you to become a proactive partner in fulfilling God’s purposes and redemptive activity; and exhorts you to leave a worthwhile legacy in the lives of others.

The Faith Runs Deep Anthology Dec 01 2021 This is a companion book to the documentary

series, Faith Runs Deep.
